You lay me down
whisper in my ear
Well it may be my name you call
but it's his name I hear
And you promise me
through thick and thin, baby
Well you told me you love me
you told me a lie
Cause you love him
And I'm missing your love
every day
I'm missing your love
every way
Though you're here with me
I'm still missing your love, baby
And when we talk
you look into my eyes
Well you're talkin to me
but baby I can see
he's on your mind
And I'm missing your love

every day

I'm missing your love

every way

Though you're here with me

Baby, I'm missing your love

Oh and I

I reach out for you

and you turn away

Well it takes all I can do

to make it through the day

I'm missing your love

Oh baby

And I'm missing your love

though you're here with me

Baby I'm missing your love
