Solo

Can't wait to get back home

where the sun is always

nice and warm

Can't wait to get back home

where the sun is always

nice and warm

You know it's freezin' out here

and that howlin' wind sends a nasty chill through my
bones

Oh you know I shivered myself to sleep last night

the cold won't let me be

That's when I woke up and realized that

this ain't no place for me

and I can't

can't wait to get back home

where the sun is always nice and warm

You know it's freezin' out here

and that howlin' wind sends a nasty chill through my
bones

Solo

Some good old friends got together

and they took me away
from this cold old alley babe
to a warm place I could stay
oh I can't
can't wait to get back home
where the sun is always nice and warm
I'm so happy to see you all
and that old nasty chill is gone
