La La La La La La La La  
Ooh, Ooh

It's gonna take a lotta love  
To change the way things are.  
It's gonna take a lotta love  
Or we won't get too far  
So if you look in my direction  
And we don't see eye to eye,  
My heart needs protection and so do I.

It's gonna take a lotta love  
To get us thru the night.  
It's gonna take a lotta love  
To make things work out right.  
So if you are out there waitin'  
I hope you show up soon,  
'Cause my heart needs relaxing not solitude  
Gotta lotta love  
Gotta lotta love  
La La La La La La La La  
Ooh, Ooh

It's gonna take a lotta love  
To change the way things are.  
It's gonna take a lotta love  
Or we won't get too far.  
It's gonna take a lotta love  
To change the way things are.  
It's gonna take a lotta love  
Or we won't get too far  
Or we won't get too far  
(Repeat to fade)
