Well I guess you just kept me around just to run him off
Yea but he came crawlin' back one day and you told
him to get lost
Tell me what gave you the right to give the push and
shove
Just another victim claimed by you and your dirty
fightin' love

(Chorus:)

Yea she did it with a straight face
She didn't even bat an eye wasn't even lookin
Do you ever wonder why you end up with nothin
Yea when God knows that you try
You run outta cigarettes and even roses gotta die

Yea I guess you think you pretty smart to work it to your
cause
Yea but me I'm just a clown out here I'm a clown without
applause
You reach for your coldheart sidearm you looked up
then you shot a dove
Just another victim claimed by you and your dirty
fightin' love

(Chorus)

Well I know you've done the same old stuff before
I'm sure you'll do it again
This time will be the last time baby you'll be wonderin
where I've been
Yea you'll be the one whos lookin back rememberin' the
way it was
Just wishin to God you could change your ways and
your dirty fightin' love

(Chorus)

Yea she did it with a straight face
No I wasn't even lookin
Somehow you always end up with nothin yea when God
knows that you try
You run outta cigarettes and even roses gotta die
You run outta cigarettes and even roses gotta die
