Well you think that you're some woman  
And this is some kind of town  
And you know that this man  
Is gonna follow you all around  
To the ends of the county  
To the edge of the state  
Goin' all around the world  
Ridin' on your tailgate

I'm not used to your attention  
You usually turn and walk away  
Days of redemption  
What have you to say?  
What have you to say?  
What have you to say now?

Well you got some kind of nerve  
Lookin the way that you are  
In your Bob Dylan t-shirt  
Fillin' up my tip jar

You keep bringin' me whiskey  
You keep askin' me for my songs  
You sent me your number girl  
I hope that you did not take it wrong

Cause I'm not used to your attention  
You usually turn and walk away  
Days of redemption  
What have you to say?  
What have you to say?  
What have you to say now?
