Baby June:

May we entertain you?

May we see you smile?

I will do some kicks.

Young Louise:

I will do some tricks.

(Rose, spoken: Sing out, Louise, sing out!)

(Uncle Jocko, spoken: Who said that?)

Baby June:

I'll tell you a story.

Young Louise:

I'll dance when she's done.

(Rose, spoken: You're behind, Louise! Catch up, honey, catch up!)

(Uncle Jocko, spoken: Who let in one of them mothers?)

Both:

By the time we're through

Entertaining you,

You'll have a barrel of fun!
