You'll never get away from me  
You can climb the tallest tree, I'll be there somehow  
True, you could say, "Hey, here's your hat"  
But a little thing like that couldn't stop me now

I couldn't get away from you  
Even if you told me to, so go on and try  
Just try and you're gonna see  
How you're gonna not at all get away from me

Rose, I love you, but don't count your chickens  
Come dance with me  
I warn you, that I'm no Boy Scout  
Relax awhile, come dance with me

So don't think that I'm easy pickin', the music's so nice  
Rose, 'cause I just may some day pick up and pack out  
Oh, no you won't, no, not a chance  
No arguments, shut up and dance

You'll never get away from me  
You can climb the tallest tree, I'll be there somehow  
True, you could say, "Hey, here's your hat"  
But a little thing like that couldn't stop me now

I couldn't get away from you  
Even if I wanted to well, go on and try, just try  
Ah, Rose and you're gonna see  
Ah, Rose how you're gonna not at all  
Get away from me
