Here we are with our hands up high
Never felt so young, so alive! Live!
Woa, woa, oh, oh, oh. It's like woa, woa, oh, oh, oh

Every voice, every face in the crowd
Now c'mon and c'mon sing it loud! Loud
Woa, woa, oh, oh, oh. It's like woa, woa, oh, oh, oh

(CHORUS)

Tonight we're gonna leave a light on
So we can find our way home oh oh oh
Light it up, light it up!
Let's shine tonight
We're gonna leave a light on
So we can find our way home oh oh oh oh
Light it up, light it up! up! up! oo oh

Yeah
Brighter stars never gonna come here
To the fire we got right here
Woa, woa, oh, oh, oh. It's like woa, woa, oh, oh, oh

Even when it's sad and dark
Our hearts'll forever beat as one
Woa, woa, oh, oh, oh. It's like woa, woa, oh, oh, oh
And when we lose our way (remember, remember)
We're never far away (remember) because

(CHORUS)

We're gonna light it up! (yeah)

It doesn't matter where you are (you are)
Know you'll never be in the dark
Yeah, we'll always be together
As long as you remember

Tonight, (light it up) we're gonna leave a light on (light
it up)
So we can find our way home (light it up)
(Light it up, light it up!)

(CHORUS)

Here we are with our hands up high
Never felt so young, so alive! (alive)
Woa, woa, oh, oh, oh.

Light it up! Light it up

Here we are with our hands up high
Never felt so young, so alive! (alive)
Woa, woa, oh, oh, oh.
Light it up, light it up
