I don't know what's going on  
What did you do to me  
I've dropped all my defences  
You've made it easy  
I'm better than I was  
I've never felt so free  
I'm safe  
I restle on my emotions  
Cause I can believe it's have been to me  
This is more than my hole dream  
It's something so sweet  
Cause I never knew that the love hurt so good  
I feeling things I never thing I should  
You open my heart and now it's understood  
Cause I didnt know that the love could take up my feets  
so help me touch the sky  
I'm proud to dance for all my joy inside  
It's healing me like i never thought it would  
Cause I didn't know the love can hurt so good  
No one ever been this close  
Feel your breath against my chick  
You know all the little secret  
So steel you up from me  
....  
When it's true you don't let go  
You give everything you have  
And expect nothing at all  
...with my emotions  
Cause I can believe that it's happend to me  
This is more than I hoped for a dream  
I never knew that the love hurt so good  
I'm feelings things I never thing should  
You open my heart and now it's understood  
Cause I didnt know that the love could take up my feets  
so help me touch the sky  
I'm proud to dance for all my joy inside  
It's healing me like i never thought it would  
Cause I didn't know the love can hurt so good  
You're taking me for hwo I am  
You're healing me from my past  
Every heart brake it's ..away

With the touch of your hand  
Ooh  
And I'm better than I were  
I never felt so free  
I just love the way you love me  
Cause I never knew the love could hurts so good  
I'm feelings things I never thing should  
You open my heart and now it's understood  
Cause I didnt know that the love could take up my feets  
so help me touch the sky  
I'm proud to dance for all my joy inside  
It's healing me like i never thought it would  
Cause I didn't know the love can hurt so good  
Ooh I didn't know  
Cause I didn't know the love can hurt
