Oday is another day  
That I wont see ur face  
With no explanation why  
U took this luv away  
Tomorrow I will miss  
What happened to our happiness  
Memories of you & me won't let me go  
They just won't leave  
Though it all seems like a dream  
Baby don't u kno that I

I believe in yesterday  
Sorry it's just a kiss away  
From where we used to be  
Baby we can work it out  
Talk about, there's no doubt  
Cuz in my heart I kno the truth  
Nobody can luv me the way u do  
Baby boy u got me wishin for yesterday

This phone it can't replace  
Touchin me face to face  
The way that we were before  
Is how it's supposed to be  
So tell me what was wrong  
Baby give me one more chance  
Don't throw it all away  
On a stupid circumstance  
Cuz u kno I can't erase  
All those time xx  
In my mind  
All the time, sweet baby I

Cuz our love  
Is too strong for bringing up little things  
I'm ready to risk everything  
To have u back  
Today, tomorrow & forever  
I will give u all of me, baby I

Yesterday

Baby boy u got me wishin for yesterday
