i got out of bed in the morning
and put on what im wearing for work
for work
im scared to death
i dont now wat to do oh oh
i just broke my own heart
not some one else oooo oh
help me out of wat i did
im on my knees beggin you not to tell
i wont do it again i promise
oooo oh please ooh please ooh please
dont do this to me
i just have temper problems
i just do thing and i don't mean it
ooh please ooh please ooh please

pllleeaassee dont do this to mmme
and i promise i wont do this again
ooh please x3
