### Chorus

See I'ma ride wit'cha baby girl, what it's gon' be  
You ain't gotta worry 'bout a thang, no  
Just keep it real wit'cha boy and tell me what it's gon' be  
And I'll give it to you, you'll see

You can get it every night  
You can get it, you can get it, you can get it every night  
You can get it, you, you can get it  
You can get it every night  
You can get get it, you can get it, you can get it every  
night  
You can get it every night

### Verse 1 - Layzie Bone

Baby you might fall or fight with them other squares  
I ain't the type that gon' take you there  
Thug to the heart, but I keep it playa  
Only gon' show you how much I care  
Open the doors and pull up the chairs  
Yeah baby I be on my A-game  
You feelin' the vibe, you know it's real  
Everytime I keep it the same way  
She be doin' her own thang, independent and hard  
workin'  
That's why I do extras with it, she feel good so it's all  
worth it  
When I say she especially gifted, every move she make  
is rhythmic  
Gotta follow her melody, every step she take, make  
you feel it  
Type of chick you just wanna ride with  
Hit the highway, lay, get high with  
Spend all night and live with  
That Bonnie & Clyde shit  
She worry when I'm in this streets  
Don't worry when I'm home at night  
Give a damn if it's 6 in the mornin'  
Better be home before she start yawnin'  
Never do I disappoint her

Call me Mr. Put-It-On-Her  
Have me feelin' like the Isley brothers  
Between the sheets - that's where I join her  
I'ma give it to ya how you want it  
Every night be a golden moment  
Girl you got me in your corner  
Ride or die, real souljah for ya

Chorus

Verse 2 - Bow Wow

Baby let's talk, let's figure it out  
Gotta nigga thinkin' 'bout settlin' down  
Keep it real with a nigga, is she ridin' for me  
Always gotta keep my girl around  
And we smoke a pound and she roll it up

Shawty be on that gangsta shit  
My girl do it with no hands - that Wale/Waka Flocka shit  
Fuck what them hatin' hoes say about me  
Cause I see so much good in  
Know I'ma have that ass sprung soon as I put my wood  
in  
More than my girl cause she my homie  
And you can trust me cause I'm loyal  
You my one and only girl and when you feelin' lonely  
All you gotta do it call  
I keep it fresh and go and stack yo head and hit the  
mall  
Whatever's left over from what you bought, just keep it  
all  
It ain't nothin' to a balla boss  
Summer, Spring, or Fall, shawty you can have it all  
She send me nude pictures on my cell phone  
Textin' me wishin' that I was home  
But I'm on a paper chase I'll be back in a while  
And yeah I know it's tough and now I need you to hold  
me down, gon'  
I'ma hold you down, do the best I can  
Let me lead the way, baby take my hand  
Been around the world, seen so many girls  
But I ain't seen nothin' like you baby, shawty

Chorus

Verse 3 - Layzie Bone

How many niggas can really say they got a woman  
that's reall gon' hold them down?  
When the shit get thick she can hold the crown

Riskin' it when we be rollin' around  
Cause I gotta rep for ballin'  
So all of these niggas be plottin'  
She keep it cocked, she watchin'  
So I keep her spoiled rotten  
Everyday we be out here shoppin'  
Yeah she be tryin' to break my pockets  
She know my money too long for all of that, baby need  
to stop it  
Got me feelin' like 'how did I get this one?' but she so  
damn sexy  
Only border of bein' possessive  
Tell her 'soldier up and get aggressive'  
Cause that's how she respect it  
She like that Thuggish Ruggish Bone, Bone  
Just can't wait to get home  
Although she fuss in argue, about lil' petty thangs  
I never pay no mind, girl I'll give you anythang

Bow Wow

I'ma hold you down, do the best I can  
Let me lead the way, baby take my hand  
Been around the world, seen so many girls  
But I ain't seen nothin' like you baby, shawty
