This is how it is, this is how it has to be  
No matter what they say, you know I'ma keep it street  
I'ma do it on my own, even if that mean struggling  
I'ma do it on my own, now I'm grinding and hussling,  
just hussling  
Been chasing this paper, bee out in these streets  
And I'll be thugging for eternity  
You know I'ma do it on my own,  
I'ma do it on my own, on my own,

Want something done? Better do it yourself cause  
Won't nobody do it quite like you,  
I play the whip with this hand I deal  
I make some deal with this high iq  
I see from a sky view high, to I do eagle eye you mind  
You I got means to find you blind,  
You sneak up from behind you like  
Watch out, little luck on the road, 7 11 and I'm serving  
them niggers  
An one man army, for, ahead of the, I'm burying  
niggers  
Roaches, call them, niggers, scary ass niggers be  
aware of them niggers  
They hurry and try to compare for a nigger  
But worrying I'ma just pray for them niggers  
Hey, cause god bless the child that got his own  
That begin his own  
I never worry about what the next nigger do  
I'm too true, , to the bone  
, won't match up  
Trying to get at me, I get right back at you  
Better call help, cause you gonna need backup  
Bag it, little niggers, take what's mine boy, yeah I'm a  
, fighter  
Maggots, shouldn't have tried to act up, act up  
, my desire on fire, still thugged out my grind is  
required  
Free my mind, I'm trying to reach higher  
Little Layzie Bone, reminiscence,

This is how it is, this is how it has to be

No matter what they say, you know I'ma keep it street  
I'ma do it on my own, even if that mean struggling  
I'ma do it on my own, now I'm grinding and hussling,  
just hussling  
Been chasing this paper, bee out in these streets  
And I'll be thugging for eternity  
You know I'ma do it on my own,  
I'ma do it on my own, on my own,

Never been a task that Layzie can't handle  
Smash for the cash I lead by example  
Blast on the past jumped in my time capsule  
Came to the future now I'm the new asshole  
They like, what you do that for?  
Turn quick, pick up the new capsule  
And my book, they got what they asked for  
I collect the dough when I pass go, hey  
They never met a nigger that can get up on the grind  
And I hussle till the break of dawn, make a nigger  
wonder  
What the fuck a nigger take me for  
Time ain't money, what the fuck a nigger waiting on  
Get going, get my motherfucking paper on  
I sit up high, my Bentley, I holler at the motherfuckers  
later on  
No time for, I'm too bazy  
I'm on the race with this clock and  
Every single day you gotta be popping  
Rip is , I represent Compton  
Worldwide stomping, neighborhood mobbing  
I'm just too major for they problems  
Call me solution I solve them  
I'm , plus I make the rules so we all win  
Hold on I answer my calling, on the road to bring back  
the life  
Real soldier, they hear it and they fall in  
No wrong, you gotta go right  
This game was made for real balling  
I make the place,  
Raise up your fist if you all in,  
These are the days of my life

This is how it is, this is how it has to be  
No matter what they say, you know I'ma keep it street  
I'ma do it on my own, even if that mean struggling  
I'ma do it on my own, now I'm grinding and hussling,  
just hussling  
Been chasing this paper, bee out in these streets  
And I'll be thugging for eternity  
You know I'ma do it on my own,  
I'ma do it on my own, on my own.
