now your gone
i realize my love for you is strong
i miss you here now your gone
i keep waiting here by the phone
with your pictures hanging on the wall

now your gone
i realize my love for you is strong
i miss you here now your gone
i keep waiting here by the phone
with your pictures hanging on the wall
is this the way its meant to be
only dreaming that your missing me
im waiting here at home
i go crazy now your gone
theres an empty place in my heart
without my yana it will break apart
it wont heel then fades away
i will think about you everyday

(are you ready?)

[instrumental]
