Stingy:

This mailbox is mine
And this triangular sign
That blue balloon
The month of June
They're mine, mine, mine, mine, mine

Ziggy's sweets are mine
That birdie's tweets are mine
The city streets
Both your feet
They're all emphatically mine

It all belongs to me
Everything that I see
North, south, east and west
I caress it, 'cause I possess it
I'm Stingy and it's mine

And this instrumental lick is also mine

The floor and ceiling are mine
All your feelings are mine
You always knew it
That's all there is to it
It's mine, mine, mine, mine, mine

That's what I said
It's mine
