If you wanna be a Lazy Scout, you've gotta loaf around.
With your hands in your pockets, and your eyes on the
ground.

Be slow and sluggish and slobbery and sleepy.
Being ready isn't good, infact it's just...creepy.

Get lazy, get lazy, everybody gotta get lazy.
Get lazy, get lazy, Lazy Scouts.
Get lazy, get lazy, everybody gotta get lazy.
Get lazy, get lazy, Lazy Scouts.

We'll walk up the mountain, we'll go camping and
always stay outdoors.
Really? Hahaha, gotcha.

(I wanna be a Lazy Scout)
Lazy, get lazy, everybody gotta get lazy.
(I wanna be a Lazy Scout)
Get lazy, get lazy. (1,2,3,4.) Everybody!
(I wanna be a Lazy Scout)
Hahahahaha, (1,2,3,4.) everybody gotta get lazy.
(I wanna be a Lazy Scout)
Get lazy, get lazy, Lazy Scouts.
One more time! Lazy Scouts!
