Quick and suave, no one knows who it was.  
He's a shh...secret agent.  
With phones on his feet, he's a spy you cant beat.  
He's a shh...secret agent.

If you've got his back against the wall.  
You'll discover he's not there at all.

Bam! Bam! Secret agent Zero!  
Bam! Bam! He's everybody's hero!  
X-ray vision, a man on a mission.  
He's a Bam! Bam! Secret agent.

With gadgets galore, no one knows what's in store...  
For the shh...secret agent.  
Saving the world, and getting the girl.  
He's a shh...secret agent.

Bam! Bam! Secret agent Zero!  
Bam! Bam! He's everybody's hero!  
X-ray vision, a man on a mission.  
He's a Bam! Bam! Secret agent.

Secret agent maaaaannnn...
