Robbie:

I'm the master of disguise
I can vanish from your eyes

I can be in different places
With my many funny faces
In disguise

Sometimes it's so nifty
When I'm really really shifty
In disguise

It's disguise time!

It's so easy to deceive you
With these sneaky little tricks
And to make you believe
Each character that I pick

Hey!
When you look for me
I'm gone in front of your eyes
People call me the master of disguise

I'm as sneaky as can be
No one's sneakier than me
I can get so sly and loathing
When I dress in other clothing
In disguise

You walk right by me
Not knowing that I'm slimy

A scary dinosaur
With a loud ferocious roar
I'm so wet
I'm so tricky
Even so St. Nicky

When you look for me

I'm gone in front of your eyes
People call me the master of disguise

Ha ha ha! I'm the master of disguise!
