Nighttime, daytime
Anytime's the right time
Playtime, playtime

Nighttime, daytime
Anytime's the right time
Playtime, playtime

Stephanie:

You can play, run and jump
(playtime, playtime)
You can stomp you can thump
Even double bump
(playtime, playtime)

You can play kick the can
(playtime, playtime)
Turn around and jump shot
Slam a jam
(playtime, playtime)

When you're feeling down and blue
You know what ya need to do

Everybody needs a little time
To play around
Have to heat it up
That'll burn it up
Cool it down

Gotta get your body in the groove
Break it down
Everybody needs a little time
And now it's time to play

(playtime, playtime)
Run and slide, seek and hide
(playtime, playtime)
Try to score a goal with all your might
(playtime, playtime)

Slice the ice, block a shot
(playtime, playtime)
Simon says stop
But you gotta rock!
(playtime, playtime)

Break it down yeah!
Come on, one more time!
Ohhh, woo! Rock it!

Everybody needs a little time
To play around
Have to heat it up
That'll burn it up
Cool it down

Gotta get your body in the groove
Break it down
Everybody needs a little time
And now it's time to play
