Stephanie:

Sometimes things are really hairy
Sneaking up when you are wary
Big old eyes all red and glarey
Creatures in the dark are scary

Shh!

Beneath the bed the ghosts are ookey
Skeleton bones are kooky
Your teddy bear's name is Pookey
Late at night he is spooky

Boo!

Dippity dee it's only me
Boopity boo I scared you
Flick on the light, there's nothing there
Everything vanished in the air

Dippity dee it's only me
Boopity boo I scared you
Flick on the light, there's nothing there
Everything vanished in the air

Close your eyes when you are sleeping
Centipedes and spiders creepin'
Shadows on the wall come sneakin'
In the dark you are freakin'!

Boo!

Dippity dee it's only me
Boopity boo I scared you
Trick of the light, there's nothing there
Everything vanished in the air

Close your eyes, rest your head
Time to go to... shh...

Boo!

Dippity dee it's only me
Boopity boo I scared you
Flick on the light, there's nothing there
Everything vanished in the air

Dippity dee it's only me
Boopity boo I scared you
Trick of the light, there's nothing there
Everything vanished in the air

Flick on the light, there's nothing there
Everything vanished in the air...

Boo!
