Wake up, wake up
It's a great big beautiful day
Wake up, wake up
It's a day to go out and play

And smile to the world
Open your eyes, 'n jump out of bed
You just wake up (wake up)
Wake up (wake up)

Get up sleepy heads
Don't stay in bed
There's a lot to do and see
Just come along with me

You know, it's true
You'll dance, you'll sing
And clap your hands
Run and jump with all your friends

You just wake up, wake up
It's a great big beautiful day
Wake up, wake up
It's a day to go out and play

And smile to the world
Open your eyes, 'n jump out of bed
You just wake up
Wake up

Stephanie:

No one ever knows what the day will bring
Just face it with a smile and sing, ooooh

Pixel:

Don't you know we're gonna
(wake up) Wake up

It's another beautiful day
Wake up, wake up
It's a day to go out and play

And smile to the world
Open your eyes, 'n jump out of bed
You just wake up
Wake up, wake up!
