Hey Girl.
Y'all know who this is.
Yeah it's the princess Lee Hyori.
She's back. Yeah!
Two-double-o-8!
Ya ready?
Hey girl!

Girl, girl hey you go girl.
De le de le that that that girl.
Girl girl hey you go girl.
Baby baby baby baby girl.
Say what?
What clothes should I wear today?
What would be the best way to fix my hair?
How about this? How about that?
Don't worry about it girl.
What should I say today?
What is the best way for me to express myself?
How about this? How about that?
Don't worry about it girl.

Girl hey you go girl.
De le de le that that that girl.
Girl hey you go girl.
Baby baby baby baby girl.
Starting now be more honest.
Starting now with more confidence.
Show your feelings. Right now this moment tonight.
Sometimes sweetly. Sometimes intensely.
Show your feelings. Right now this moment tonight.

Girl, girl hey you go girl.
De le de le that that that girl.
Girl girl hey you go girl.
Baby baby baby baby girl.

What worries will call me away today?
Will something bad occur to me?
What will I do? How will I handle it?
Don't worry about it girl.
Worrying about if that person likes you or not.

You pull out a coin from your pocket.
Will it be heads? Will it be tails?
Don't worry about it girl.

Girl hey you go girl.
De le de le that that that girl.
Girl hey you go girl.
Baby baby baby baby girl.
Starting now be more honest.
Starting now with more confidence.
Show your feelings. Right now this moment tonight.
Sometimes sweetly. Sometimes intensely.
Show your feelings. Right now this moment tonight.
Ay Hyori!
What's up?
What you been doing?
Why?
Let's roll baby!
Mmm ok!

Hey girl!
Hey girl!
A a a a a ok!
A a a a a ok!
Ok! Ok! A a a a a ok!

Crazy night.
Dance all night.
Let me take you home tonight.
It's alright.
Hey girl party tonight.
Crazy night.
Dance all night.
Let me take you home tonight.
It's alright.
Hey girl party tonight.

Girl hey you go girl.
De le de le that that that girl.
Girl hey you go girl.
Baby baby baby baby girl.
Girl hey you go girl.
De le de le that that that girl.
Girl hey you go girl.
Baby baby baby baby girl.
I like that that that girl.
Let me see you bring it back back back girl.
Ok!
I like that that that girl.
Let me see you bring it back back back girl.
I like that that that girl.

Let me see you bring it back back back girl.
Ok!
I like that that that girl.
Let me see you bring it back back back girl. Girl.
