

## Napalm Death "28 Dragnet"

Visit "[28 Dragnet](#)" on [MotoLyrics.com](http://MotoLyrics.com)

The ascension of human intelligence

To atomic genocide

Homo sapien

The disease the cause the pollution

Erase the aeons of evolution

Pushed too far just a matter of time

Seemingly nothing to halt the tide...

...Except the end...Accept the end?

Side one (1-12) credits:

Recorded at Rich Bitch 8-Track in Birmingham August '86

Engineered by Mick Ivory

Produced by Napalm Death, Unseen Terror and Head of David

Lyrics by Nik and Justin '82-'86
