Fall in line, a race to sacrifice  
Blood red highs, select and televise  
Fall in line, a race to sacrifice  
Blood red highs, detract desensitize

Drainin' my lack of perception  
Feeding the strength of remorse  
Accepting these mute aggressions  
Foreseeing the truth once more

No one is listening

Fall in line, a race to sacrifice  
Blood red highs, select and televise  
Fall in line, a race to sacrifice  
Blood red highs, detract desensitize

Pushing connection to failure  
Defacing our strength of worth  
No loyalty here for the twisted  
No savior for the perverse

This season treason

Come so far just to go back  
To escape the wrath  
The potential craving lunacy

Conducting reaction in fractions  
Judgments collective inapt  
Addiction for this, the solution  
Devouring, depraved, take the axe

Fall in line, a race to sacrifice  
Blood red highs, select and televise  
Fall in line, a race to sacrifice  
Blood red highs, detract desensitize

Fall in line, a race to sacrifice  
Blood red highs, select and televise  
Fall in line, a race to sacrifice  
Blood red highs, detract desensitize
