Burning, feel the pain sear
Pathless, animation nears
Download delinquent fears
Sit back, enjoy the rot

Down in the zero
Down in the zero

Dilemma trebles
To balance erratic stance
Behind eyes hide
A fascist prance

Down in the zero
Down in the zero
Now we perish as we bury
Now we perish down in the zero

Forced into an action
Trauma faked perception
Blindly placed affection
Stranger faced deception

There's nothing for no one
There's nothing for no one

Forced into an action
Trauma faked perception
Blindly placed affection
Stranger faced deception

Beyond the point of breaking
Down on level zero
Vexed, the reasons
Unheard like a muted scream

Down in the zero
Down in the zero
Now we perish as we bury
Now we perish down in the zero
