Your pride, why should your pride be so restricted?
Restricted to a mere fraction of this earth
This earth from which we have all evolved

This earth where all of it's people are downtrodden
Downtrodden by all those who stand to prosper from
exploitation
Downtrodden by those whose slime infests your weak
minds

Your weak minds
Your weak minds
Your weak minds
Your weak minds
Your weak minds

Your weak minds
Your weak minds
Your weak minds
Your weak minds

They've got you where they want you
Are you the next in line?
Are you the next in line?
Are you the next in line?
Are you the next in line?

Are you the next in line?
Are you the next in line?
Are you the next in line?
Are you the next in line?

Weak minds
Weak minds
In line, the next in line, in line, in line
Your weak minds

Your weak minds
Your weak minds
Your weak minds
Your weak minds
Your weak minds

Your weak minds
