Must have peace
Arsenals in the sky
Must have peace
Through we'll strike at any time
We must have peace

Forewarned is disarmed
Conduct post mortems
As trigger fingers twitch
To right a wrong

Must have peace
Through the megaton decree
Must have peace
Warn the global police
We must have peace

Forewarned is disarmed
Just do as we don't
And be subservient
As we right your wrongs

Star Wars no more

After all it's perfectly acceptable
To pervert that which you enforce

Subhuman death squads
Good Christian soldiers
Subhuman death squads
Good Christian soldiers

Free will is unconditional
With vision primed over your head

Subhuman death squads
Good Christian soldiers
Subhuman death squads
Good Christian soldiers

Forewarned is disarmed
Never again

At least until we need
To right your wrongs

Star Wars no more
