Cut the line, I'm suffocating  
Cannot feel, without I'm aching  
Desire lost, my heart is racing  
I feel cursed, am I mistaken?  
Doomed to walk the path that's chosen

Regret, a mountain yet to climb  
Belief that pain will ease in time  
Embrace, a life that I betrayed  
The icing on the hate

Trapped inside, this self-addiction  
Forced to see my own affliction  
Through the eyes, diseased reflections  
Kaleidoscopic, death in segments  
A second chance at resurrection

Regret, a mountain yet to climb  
Belief that pain will ease in time  
Embrace, a life that I betrayed  
The icing on the hate

The high of high's seemed endless  
The shapeless fear ascending

Ride the carousel of punishment  
(Ride the carousel of punishment)  
Ride the carousel of punishment  
(Ride the carousel of punishment)

The days of dazed emotions  
And spells I cast seem broken

Ride the carousel of punishment  
(Ride the carousel of punishment)  
Ride the carousel of punishment  
(Ride the carousel of punishment)

Cards are down, a choice needs making  
Look at the past, or keep on dreaming  
Pulled the plug, for now I'm winning  
Closed the chapter, a new beginnings

Closed the chapter, a new beginnings

Regret, a mountain yet to climb  
Belief that pain will ease in time  
Embrace, a life that I betrayed  
The icing on the hate
