Do you think you can trust  
Your mind made up of the things  
That cause you to live your life?  
Displaced, dispose

Give in  
You've got the best of me  
Wear thin  
Resisting qualities

I had no choice  
You've got the best of me  
Force me to voice  
Resisting qualities

They blame you, beat you  
Drain you of remaining morsels  
As you tremble, shattered, scattered now before you  
They wipe your face in disgust  
Indispose

Give in  
You've got the best of me  
Wear thin  
Resisting qualities

I had no choice  
You've got the best of me  
Force me to voice  
Resisting qualities

I had no choice  
You've got the best of me  
Force me to voice  
Resisting qualities

Give in

Despite the fact  
Accept the fact  
You gave your best  
Famous last words

I had no choice  
You've got the best of me  
Force me to voice  
Resisting qualities

I had no choice  
You've got the best of me  
Force me to voice  
Resisting qualities
