

Napalm Death "Inner Incineration"

Visit "[Inner Incineration](#)" on MotoLyrics.com

Malformed spirit
An infestation
Suppressing ways
Of communication

Depression lingers
Then the journey
At wits end
In a socialized hell

Confusion
In recognition
Pessimistic
Thoughts invade

Shared amounts
To achieve a goal
Roles reversed
Could summon change

Confusion
In recognition
Pessimistic
Thoughts invade

Shared amounts
To achieve a goal
Roles reversed
Could summon change, change

Expectations are inquired
Exceptions should be required
