Inside the torn apart  
Feeding on the lies  
Layer of sedation  
Perverse incubation

Live through this  
Love through this, hate this  
Learn from this  
Break through this, hate this

Live through this  
Love through this, hate this  
Learn from this  
Break through this, hate this

Hate this

Crisis spawning decadence  
Trial or tribulation  
Grotesque imitations  
Bleed the rumors dry

Live through this  
Love through this, hate this  
Learn from this  
Break through this, hate this

Live through this  
Love through this, hate this  
Learn from this  
Break through this, hate this

Die, die

Inside the torn apart  
Feeding on the lies  
Layer of sedation  
Perverse incubation

Crisis spawning decadence  
Trial or tribulation  
Grotesque imitations

Bleed the rumors dry

Live through this  
Love through this, hate this  
Learn from this  
Break through this, hate this

Live through this  
Love through this, hate this  
Learn from this  
Break through this, hate this
