Lowpoint

Banish the emotion  
Severing the ties  
Mutual aggressions  
Multiply unwind

Reason lost is reason gained  
Reluctance seeping through the rage  
Acceptance changing on all fronts  
Phase me out, I've reached my lowpoint

Tarnished with the motion  
Voids in which we hide  
Excuse pales from pressure  
Desperate thoughts collide

Reason lost is reason gained  
Reluctance seeping through the rage  
Acceptance changing on all fronts  
Phase me out, I've reached my lowpoint

Confessions, protection, the facts distort  
Frenetic, eccentric acts are caught

Phase me out, phase me out

Relentless, contagion, a single choice  
Dissecting, mutating, the single voice

Phase me out, phase me out

Banish the emotion  
Severing the ties  
Mutual aggressions  
Multiply unwind

Tarnished with the motion  
Voids in which we hide  
Excuse pales from pressure  
Desperate thoughts collide

Reason lost is reason gained  
Reluctance seeping through the rage  
Acceptance changing on all fronts  
Phase me out, I've reached my lowpoint
