Your aspirations, unable to stretch  
Beyond the barriers of what's expected  
As the free thought you were born with  
Becomes externally polluted

Lose sight of your ideals  
In their brainwashing institutions  
Predetermine your values  
To befit your substandard existence  
Discouraging creativity  
To aim for empty ambitions

Living up to others' expectations  
Takes hold of your assiduity

Mentally murdered

The will to succeed  
Overpowers the will to resist

Mentally murdered

Always up to the mark  
Set the wheels in motion  
A fake sense of security  
From your invariable position

Sinking in the crowd  
A face minus expression  
A mouth that echoes words  
Recycled from tradition

Your only contentness  
Is in living a lie

Mentally murdered

Do you possess the strength  
To re-create your own life?

Mentally murdered [unverified]
