An integral sense  
Comes with belonging to a scene  
Supposedly absent of barriers  
(When sexism is only one of many)  
Earnest words  
Calling for unity of the sexes  
When she's still the chick, or stupid bitch  
(Ridiculed for showing an interest)  
Hidden indifference  
Strikes an emotion reaction  
When you see an animal being abused.  
Yet un-noticed when a woman  
Is abused in the same way  
The links in oppression  
Stem from the same degradation  
But to one our eyes remain closed  
Actively abusing the rights of one  
Whilst fighting for those of another  
The 'scene' may hold a different name  
But the roleplays just the same  
Equal rights are fine  
As long as she's in her place  
Outrightly denouncing fascism  
Whilst oblivious to it taking place  
Is condemnation of standarts  
All an act to save face  
Unity a stark ambition  
When out abuse surpasses recognition
