Stuck in the learning hole
There is no teaching
That I can subscribe to
Just the hatred of being afraid

Trapped in a nightmare
Nothing can alter this
Just another daydream
Calendar sadness

Lucid, inducing swarm
Becoming closer
But getting colder
The caustic grip insane

Trapped in a nightmare
Nothing can alter this
Just another daydream
Calendar sadness

Lucid induced
Lucid induced

Pre-shaping destiny
Hiding inside of me
Primate illusions of
How all this should be

Pre-shaping destiny
Hiding inside of me
Primate illusions of
How all this should be

Next of kin to chaos
Next of kin to chaos

Stuck in the learning hole
There is no teaching
That I can subscribe to
Just the hatred of being afraid

Trapped in a nightmare

Nothing can alter this
Just another daydream
Calendar sadness
