The pulse of world when it stopped for a day
From a clear blue sky
To a smoldering gray

Unmerciful cruelty, awakening rudely
Evils grow, willingly exchanging blows
Pentagon's financial goals exposed

They were shot from the sky
Duped, a nation in pain
Sacrificing lives for financial gain

Unmerciful cruelty, awakening rudely
Evils grow willingly exchanging blows
Pentagon's financial goals exposed

Out of sight, out of mind
Ground zero, petrified
Out of sight, out of mind
Ground zero, petrified

Paying with their lives
Threatening whose will?
Burning wreckage holes
Time is standing still

Out of sight, out of mind
Ground zero, petrified
Out of sight, out of mind
Ground zero, petrified

Fiendish debates, NATO inflates
Fighting a cause with a biblical fate
Fighting a cause with a biblical fate

Out of sight, out of mind

It ends in tears, distilling fears
Believing the lie, when cultures collide
When cultures collide

Out of sight, out of mind

Ground zero, petrified
Out of sight, out of mind
Ground zero, petrified
