Siege of power  
In your land  
Too many problems  
For you to understand

Siege of power  
Inside your mind  
Outward restrictions  
To keep you in line

Siege of power  
In your land  
Too many problems  
For you to understand  
A slave of their power  
You never question why  
You're going to suffer  
You're going to die  
Siege of power  
Inside your mind  
Outside restrictions  
To keep you in line  
You're a slave of their power  
You never question why  
You were made to suffer  
You were born to die

Siege of power  
They made you a tool  
While others were ruling  
You were being ruled
