Go

Shaped thus, shipped 'em out
A new deal to flog and flout
Buried up to the neck in socio-aggregate
Twist an arm and drag it back

Infiltrator reclaims the rhetoric
Infiltrator turns the kindness milk
Infiltrators

A now and later policy
Suits privileged contingency
A now and later policy
Crowns privileged contingency

Firmly entrenched, flip the cards
Buy it up and starve it under
Cultivating on the middle thatch
All withers through the barren patch

Infiltrator reclaims the rhetoric
Infiltrator turns the kindness milk
Infiltrators

A now and later policy
Suits privileged contingency
A now and later policy
Crowns privileged contingency

Go

High flying
Market the paroles
The ornamental and quaint
Lower stooping
Disbanding in union
Spine, snaps on the make

Spine, snaps on the make
Spine, snaps on the make

Throwing stances
Juggling a standpoint
So it won't offend
Tailored muses
Sharp, econ friendly
Spine snaps on the make

Spine, snaps on the make
Spine, snaps on the make

Spine, snaps on the make

Buried up to the neck in socio-aggregate
Twist an arm and drag it back

[Incomprehensible]

Firmly entrenched, flip the cards
Buy it up and starve it under
Cultivating on the middle thatch
All withers through the barren patch
