Pushed aside the feelings
Jeopardizing all
Caught the chain reaction
Rolling with the fall

Forget the friendship
The points made loud and clear
Where was the kinship
For which we endear?

Soulless execution
Mixing guilt with blame
Breaking point in contact
No more vain demands

Forget the friendship
The points made loud and clear
Where was the kinship
For which we endear?

Time will come
Time will come

Pleasing all to punish
Stepping up the race
Pulling all resources
Pushing up the stakes

Time will come
Time will come

Pleasing all to punish
Stepping up the race
Pulling all resources
Pushing up the stakes

Growing from the sadness
Living day by day
Learning from the madness
Paying all the way

Time will come

Time will come

Pushed aside the feelings
Jeopardizing all
Caught the chain reaction
Rolling with the fall

Forget the friendship
The point made loud and clear
Where was the kinship
For which we endear?

Time will come
Time will come
