\*10:30 AM ain't sleep yet. Got a flight in one hour..on  
my birthday\*  
Ahhhh..  
Dom Dolo nev bought Polo  
Everywhere I go they always ask me if I'm solo  
Took a million photos  
I thought she had swag till I heard her say YOLO  
8 million sold got a million in the dresser  
Took so much soft can these niggas turn to ketchup  
Bitter Motherfucker won't admit I'm gettin better real  
talent motherfucker thats some different kind of  
pressure  
I done saw the whole world for I even seen college  
Clubs at 16 tellin Onis bring the bottles in  
New rappers talkin bout the hit evictions need to stop  
shit  
.....before they started modeling  
Me and my homies we gettin action we gettin around  
with hoes and stayin and makin trap  
You callin it get ? I'm callin it get my packs  
Bump presidential pact Thought Obama was stickin  
Shaq  
Shaq stickin Obama  
Bad bitch in that sauna  
Think I turn psychic with that last sip of that vodka  
Want a use cent in these pockets  
All I have is these condoms  
Thats that I don't give a fuck option  
I don't trip just rock em  
Black em off in my off grade  
Don't bother me on my off days  
I'm on a boat with a hot date  
Fixin to get a stone that's John aye  
She got ambition on wall A  
She like Marilyn and shawty  
She like number 1 in my top 8  
With Oakland pussy that's bomb aye  
I don't have no friend's so I don't have no patience  
Better cuff a ? so I become a favorite  
Met her in Japan broke it off in Vegas  
Now every time I got a show she the first to make it  
In high school I had ya new bitch gettin naked

Plantin the seeds for the groupies in my generation  
Be feelin guilty but the thrill of gettin bitches changin  
I don't need a pop a pill that pussy still feel amazin
