The liquor fall over freakin down that was even worse
He said come but ya gotta sneak in though
If he a mac then why he make you use the window
Girl his mother livin there
You too old for scramble quit messin with them squares
My house can be your first perv supporter
So before you go further, yes

(Chorus)
You can get drunk, and you can get faded
If you tryna fuck, we could do it anyways
Gone get drunk, my house like Vegas
But no police, only if you tryna taste it
You could roll one up if you want to
Aww this is my house
Roll one up if you want to
Aww this is my house
Want to, want to, want to
Do you want to
Want to, want to, want to
Do you want to
