My good old moon, don't be worried as the life is full of  
the high- and low-tides  
& our planet is also full of both good and bad  
characters

My good old moon, don't be worried since not  
everyone can be deemed as enemies  
& not everyone can be full of the cracks just like you  
and I

My good old moon, don't be worried as there exist  
quite a lot individuals like us  
& very little can be found who would stay on their  
promises

My good old moon, don't be worried since crying is the  
saviour of the people  
& the freshness of the flowers is due to the tear-  
droplets of the dew

My good old moon, don't be worried as the life cannot  
be without despair  
& who haven't faced the misery, they won't get the  
value of happiness

My good old moon, don't be worried since many people  
are alone just like you  
& many are familiar with the wounds left from this life

My good old moon, don't be worried as the life is full of  
good and evil  
& who knows about the God (luck), heavens might be  
ours tomorrow  
lal lal la, lal lalla lala lala  
lal lal la, lal lalla lala lala  
lal lal la, lal lalla lala lala la...

My good old moon, don't be worried as the life cannot  
be without the despair  
& who haven't faced the misery, they won't get the  
value of happiness

My good old moon, don't be worried & let's refer the  
world to the God  
& let's both pray separately, you for yours and myself  
for mine

lal lal la, lal lalla lala lala  
lal lal la, lal lalla lala lala  
lal lal la, lal lalla lala lala la...

lal lal la, lal lalla lala lala  
lal lal la, lal lalla lala lala  
lal lal la, lal lalla lala lala la...
