My boyfriend of two years and I  
Broke up a month ago  
It was me who called it off but now  
I'm feeling all alone  
I tried to get him back but he doesn't  
Pick up the damn phone  
So I was wondering since you find  
Me hot, would you like to take  
me home  
Take me home, take me home  
So I could f---, -f---!

Chorus: Put a paper bag over your  
head as we..  
And imagine you're him  
Put a paper bag over your head  
As we f---, -f---!  
And imagine that I was with him

OK you probably think I'm crazy to  
Make such a request  
But you're the only one in this place  
Built kinda like my ex  
But you're a guy I figured that  
you'd always be up for sex  
you'd always be up for sex  
And I promise there's no strings  
Attached, I just want to get my kicks  
So take me home, take me home  
So I could f---, -f---!

Repeat Chorus

My ex boyfriend was always  
Satisfied  
I would rock his world most  
Every night x2

My boyfriend of two years and I  
Broke up a month ago  
It was me who called it off but now  
I'm feeling all alone

So take me home  
So I could fÄçâ,¬Ä,Ä!

Repeat chorus
