You're walking on my skin,
baby, feels like honey.
You're walking on my skin,
sweet, sweet honey.
You're walking on my skin,
baby, feels like honey.
You're walking on my skin.
Sweet, sweet honey,
don't you think its funny.
Talk about the pain
and you talk about the money.
Sweet, sweet honey,
don't you think its funny.
Talk about the pain

in einer sternenklaeren Nacht,
auf ganz leisen Sohlen -
mit einer tollen Sternenfracht -
hast du dich fortgestohlen.
Ich rufe in den Wind -
und mir wird vÃ¶llig klar -
was deine GrÃ¼nde sind -
was dein Antrieb war.
Durch Zeit und Raum haben wir nie gedacht,
und so sind drauÃen wir aufgewacht.
Ich bin bereit dir zu widersteh'n -
ich bin so weit endlich fort zu gehen.

You're walking on my skin,
baby, feels like honey.
You're walking on my skin,
sweet, sweet honey.
You're walking on my skin
baby, feels like honey.
You're walking on my skin.
Sweet, sweet honey,
don't you think its funny.
Talk about the pain
and you talk about the money.
Sweet, sweet honey,
don't you think its funny.
Talk about the pain

Äine Harmonie war nie wirklich da,
bemerke, dass so vieles LÄ¼ge war.
Die Fantasie hat den Alltag verdrÄ¼ngt,
wir haben uns oft zwischen StÄ¼be gezwÄ¼ngt.
Dein Traum aus Schaum -
die Seifenblase platzt Ä—
du hast mein Ego angekratzt.
Ich rufe in den Wind Ä—
rufe in den Wind -
ich rufe ganz bestimmtÄÄ!

You're walking on my skin,
baby, feels like honey.
You're walking on my skin,
sweet, sweet honey.
You're walking on my skin
baby, feels like honey.
You're walking on my skin.
Sweet, sweet honey,
don't you think its funny.
Talk about the main
and you talk about the money.
Sweet, sweet honey,
don't you think its funny.
Talk about the mainÄÄ!

Ägeh' durch die Stadt Ä—
es ist - es ist so weit Ä—
ich tapse durch die Dunkelheit.
Was wÄ¼rd' ich geben dich zu spÄ¼ren -
ich will dich einfach nur berÄ¼hr'n.
Ich hab' dich endgÄ¼ltig verloren Ä—
meine GefÄ¼hle sind erfror'n.
Ich dacht' ich werd' dich nie verlier'n.

I, I would do everything
to bring love and joy to your side.
Baby don't need - yes really everything -
only your touch and your style
your beautiful smile

You're walking on my skin,
baby, feels like honey.
You're walking on my skin,
sweet, sweet honey.
You're walking on my skin
baby, feels like honey.
You're walking on my skin.
Sweet, sweet honey,
don't you think its funny.

Talk about the main
and you talk about the money.
Sweet, sweet honey,
don't you think its funny.
Talk about the main
Only your touch and your smile,
your beautiful smile
