Your lips are loveable
unphotographable
iÂ´m still your man

My eyes burn like fire,
feel my desire
my jealousy
made me so blind

And I
run 8x
Run away from you,
Keep the memory in your mind,
leave the past behind.

Better
run 4x
Run away I'll start over new,
but there will never be another you.

Leinen los,
der Kurs gesetzt,
segellos vom Wind gehetzt ,
es gibt kein zurÃ¼ck,
ich werde jetzt gehen,

Sterne wie TrÃ¤nen,
vorbei mit unseren PlÃ¤nen,
nichts wird aus dem Traum,
die Welt zu umdrehen.

And I
run 8x
Run away from you,
Keep the memory in your mind,
leave the past behind.

Better
run 4x
Run away I'll start over new,
but there will never be another you.

Every night and every day
I have to leave you on my way
'But Nothing that you say
Can get me to stay

And I
run 8x
Run away from you,
Keep the memory in your mind,
leave the past behind.

Better
run 4x
Run away I'll start over new
