Monday,
Well baby if fell for you
Tuesday
I wrote you this song
Wendsday
I wait outside yoor door,
Even though I know it's wrong,
7 days a week
Every hour of the month
Gonna let you
Know where my heart
Is commin from
I shouldn't feel this way,
But I gonna say
Baby I gotta let you now
I will try
Everything,
To make you grow
Closer to me
And maybe make
You beleive
That I will behave
How can I
Get it through
To tell you
What I can't lose

I will try 365 days,
365 ways to get to you
Yeah, to get to
You, you, you, you
Baby
Every second,
I want you all
To myself
(All to my self)
Every second
Every second
Every tick tick of
The clock
I just can
Handle myself,

Feeling kinda guilty
But girl I can't stop
Girl I don't wanna
Nobody else,
No one else,
No one else,
I will try
Everything,
To make you grow
Closer to me
I'll try 365 days,
365 ways to get to you.
