Yeah, yeah, yeah
Ooh, ooh
Yeah

All my attention, baby
My extra time
There's nothin' I won't give you
Girl, if you were mine
Six million times I'm thinkin'
About your face
You know I'm crazy for ya
Let me count the ways

Too many girls I'm chasin'
I had my falls
But all the time was wasted
Girl, you know that you're the one

It's a countdown
To your love
You're my number one, girl
It's a countdown
Falling fast
Don't think I'm gonna last, now

Wait a minute
Wait a minute
Wait a minute
Yeah

Wait a minute
Wait a minute
Wait a minute
Yeah

There's only one in your life
I want to believe
Gonna set your heart on fire
Burning in the fourth degree

Seven, eight, can hardly wait

For you to come around
Nine, ten, back again
Count the ways I love you now

It's a countdown
To your love
You're my number one, girl
It's a countdown
Falling fast
Don't think I'm gonna last, now

It's a countdown
To your love
You're my number one, girl
It's a countdown
Falling fast
Don't think I'm gonna last, now

Wait a minute
Wait a minute
Wait a minute
Yeah

Wait a minute
Wait a minute
Wait a minute
Yeah

Ooooooh
Ooooooh

10, you're beautiful
9, you're amazing
8, you're contagious
Every time I look at you
6, you're a star
5, who you are
4, 3, who you wanna be
Don't you know that
I want you 2

You're the one
(hey)
You're the one
(heey)
You're the one
(yeah)
Yeah, yeah

You're the one
(hey)

You're the one
Yeaaah
Yeah, you're the one

It's a countdown
To your love
You're my number one, girl
It's a countdown
Falling fast
Don't think I'm gonna last, now

It's a countdown
To your love
You're my number one, girl
It's a countdown
Falling fast
Don't think I'm gonna last, now

Wait a minute
Wait a minute
Wait a minute
Yeah

Wait a minute
Wait a minute
Wait a minute
Yeah

It's a countdown
To your love
You're my number one, girl
It's a countdown
Falling fast
Don't think I'm gonna last, now

It's a countdown
To your love
You're my number one, girl
It's a countdown
Falling fast
Don't think I'm gonna last, now

Wait a minute
Wait a minute
Wait a minute
Yeah

Wait a minute
Wait a minute
Wait a minute
Yeah

Wait a minute
Wait a minute
Wait a minute
Yeah

Wait a minute
Wait a minute
Wait a minute
Yeah

It's a countdown!
