I don't wear designer clothes
I don't go to the finest schools
But I know
I ain't no fool baby
I may not be a star
I'm not driving the sickest car
But I know
I can make you happy baby

I don't know what you been used to
Never been with a girl like you
But I can give you a love that's true to
Your heart not material things

I'll give you my song
These words, to you
Sing you what I feel
My soul is true
I don't have the world
Can't give it to you girl
But all that I can do (all that I can do)
Is give this song to you

Na Na Na
Na Na Na
Na Na Na

Yeah I know
You are blessed
But there's something you're missing yet
Your own melody (oh baby)

I don't know what you been used to
Never been with a girl like you
But I can give you a love that's true to
Your heart not material things

I'll give you my song
These words, to you
Sing you what I feel
My soul is true
I don't have the world

Can't give it to you girl
But all that I can do (all that I can do)
Give this song to you

I'll t give you my heart
My soul my voice , baby
(Give this song to you)
What I can't say I'll sing it
(Give this song to you)

Oh, Oooh, Oooooh
(Give this song to you)

I'll give my song and the rest to you, baby, baby
Sing you what I feel
My soul is true

I'll give you my song
These words, to you
Sing you what I feel
My soul is true
I don't have the world
Can't give it to you baby
But all that I can do (all that I can do)
Is give this song to you

Yeah yeah ay
