The sweat descends
The sweat scents
One cock sure fox in a house of hens
My mouth will water where the sweat descends

The sweat descends sweet decadence,
lets hope this party never ends
A shiv in the ribs,
Some smoke in the hive,
You live how you live I'll die how i die

Wake me up when we get to heaven,
Let me sleep if we go to hell.
Blame my mouth if the house is burning,
Check my tongue if you still cant tell

The sweat descends,
My psyche bends,
I'll never be the same again.
This soul is twisted but the skin will mend.
My tight young skin covers up a sick palimpsest.

Wake me up when we get to heaven,
Let me sleep if we go to hell.
Blame my mouth if the house is burning,
Touch my tongue if you still cant tell

Make your mark on a darkened dance floor.
Slip across the present tense,
Press up against the skin you care for,
Meet me where the sweat descends
