You could be a rasta
you could be a dred
you can have an r1
you can have a ped

You can have an Aston as your main car
but I still take your girl like rawr
cause I got
dench stamina

Yeah best believe it's dench
back off best believe it's wench
I pull out my sausage believe it's tense
go hard don let the beating commence
yeah D.E.N.C.H criminal
now keep the bullshit to a minimal
tryna keep the money up like
yeah I'm on a pornstar ting
back of the cinema doggystyling
head in the r8 when I'm driving
can't do a thing
sometimes I'm in a lips and ting
tongues, nipples, tits and ting
this girl here's on a cryption thing
so I'm pulling her hair while I'm doggystyling

You can be a hero
you can be a star
you can be driving the latest car
you could own a restraunt, you can have a bar
but I still take your girlfriend like rawr
cause I got

You could be a rasta
you can be a dred
you can have an r1
you could have a ped

You can have an Aston as your main car
but I still take your girl like rawr
cause I got

dench stamina

It's dench
not stamina
straight in the back of the range
I'm banging her
she's like baby boy bring your swag in motion
I'm like baby girl you know you wrote
like turn around
get down baby
dench stamina
I got that you know
I'm in your yard
bring yer car
I'm a pro
I dodge this daily
girl fam she lays me
I'm like call me elvis
I get straight to the point
fully focus
I'm going in
No time for the foreplay
she get the ting cause she knows me
dench stamina
dench stamina
dench stamina
dench stamina

You could be a rasta
you can be a dred
you can have an r1
you could have a ped

You can have an Aston as your main car
but I still take your girl like rawr
cause I got
dench stamina

And after I'm done she ain't gonna go far

I like the girls nice and curvy
short hair
and I don't mind curly
I been on this ting from early
eh girl let me talk to your girly

And after I'm done she ain't gonna go far

[Camp Fire]
It's kinda p right there
I'm on a quick stege with a three right there

her man keeps belling off the phone
but he's getting air
so you know she getting meat right there
cause the yard is kinda c right there
Chicks all getting on her knees right now
Double D's
gonna get a quick squeeze
gonna Dench right there
god know she be ready to go
I'm in the grime getting in
and low
bikes, cars, cash and cribs
straight paper chase yeah you know that's what I'm on
I swag it off from my head to toe
Hold it down with my g and dun so slow
god know I be usally flooding the rows
get your wifey's in cars and duin the cho

You could be a rasta
you could be a dred
you can have an r1
you could have a ped

You can have an Aston as your main car
but I still take your girl like rawr
cause I got
dench stamina

And after I'm done she ain't gonna go far

I like the girls nice and curvy
short hair
and I don't mind curly
I been on this ting from early
eh girl let me talk to your girly

And after I'm done she ain't gonna go far

Yeah! It's Dench!

Everyone's like what does Dench mean?
Dench means anything you want

If you see a girl with a big backoff you say dat's
DEEENCHHHHH?!

If man get's knocked out punched to the face say that's
DENCH!

If a man's breath stinks, say your breath is DENCH!

Dem ones
yeah
Dench Stamina
